AUCTION DONATIONS

Dear Parents,

The Rumson Education Foundation was established to provide an avenue for parents and local businesses to help financially support our elementary schools. Our contributions have lessened the burden of budgetary constraints faced by our schools, by providing new and improved equipment and supporting and enhancing educational programs.

Look around the Deane Porter and Forrestdale schools...from classroom libraries, Smart Board computers, tablet PCs, classroom FM systems and the Columbia Reading & Writing Project, the rock climbing walls, portable stage and sound equipment, life-saving defibrillators and CPR training received by teachers—these were all funded in part by turning auction donations into funding for grant requests.

The list of wonderful additions that support our children's education goes on and on, and it's made possible by generous donations from parents and businesses. This year we are focusing our efforts in providing funding for a state-of-the-art science lab at Forrestdale. Therefore, we are asking that you please consider making a donation to the auction at this year's annual event, "Evening in Pair-A-Dice".

If you would like to make any of the following donations, please complete this form and return it to school with your child. A member of our Auction Committee will contact you to arrange your donation and help you to handle the specifics. We kindly request all donations by November 4, 2009.

Should you have any questions regarding this information, please contact Maria Oberlander at 345-0338 or moberlander@comcast.net or Maura Abad Lowe at 842-3952 or maura_abad@yahoo.com.

Thank you for your support!
